

Membership Track Core 5: Membership 101: PJEFC & YOU

With the new things happening in the church, we have reviewed and updated the materials for the membership class. In view of this and in order to get everyone on the same page at the very beginning of this new season in PJEFC's life and ministry, we believe it is paramount that everyone goes through Membership 101: PJEFC & YOU.

It's important and you won't regret it!

We will still be briefly covering the History of EFC, and in particular PJEFC (which will be interestingly presented to you through multi-media) to give you an understanding of Our Roots. We will also be running through the Articles of Faith so that you know Our Beliefs.

A lot more time, however, will be given towards sharing Our Vision and Our Philosophy of Ministry. If you want to be a part of what the Lord is doing here in PJEFC you need to have a good grasp of these things. Then finally, to understand Your Role and Commitment.

Maturity Track Core 3: Becoming A Contagious Christians

Becoming a Contagious Christian is a proven course designed to equip all of us for effective evangelism in today's world. It avoids stereotyped approaches that feel intimidating to many of us. Instead, it shows us how we can share the gospel in a natural and powerful way while being the person God made us to be. Each session's exercises, discussions, self-assessments, and DVD vignettes give step-by-step guidance to help us become effective communicators for Christ to those around them. Just picture ourselves as believers who:

- Demonstrate a contagious Christian character
- Build spiritually strategic relationships
- Direct conversations toward matters of faith
- Communicate their faith in a style that's personal and natural
- Explain biblical truths in a style that's personal and natural
- Explain biblical truths in everyday language

This class will cover the following topics:

Maturity Track Core 4: MasterLife Book 2: The Disciple's Personality

Although you are a Christian, you may wonder why you continue to sin despite your best intentions, as if two selves are at war inside you—one controlled by the Spirit and one controlled by the flesh. In this study you will learn about the human personality, what happened to it when sin infiltrated the world, and how the Cross and the Holy Spirit can change your character and behaviour into Christlikeness.

Participants will attend weekly group sessions, carry out daily personal study and devotions, and live out the applications for victorious Christian living.

MasterLife: The Disciple's Cross is the first in the series of four, proven, courses in the programme. By the end of the course you will have learnt how to be a balanced healthy disciple, have a tool to share the same with others, and inculcated the vital spiritual disciplines into your life.
